

Dated: 26th November 2014

Press Release 5

ITMACH India is fully booked

ITMACH India 2014, the largest textile machinery show of 2014 is now fully booked. The show will be inaugurated by Saurabhbhai Patel, Minister of Finance & Industries, Government of Gujarat. Stalwarts of the Indian textile industry will also be present during the show inauguration.

The show will be visited by the who's who of the textile industry in India and abroad, alongwith their technical heads. With the textile and clothing industry in investment mode, organisers expect business decisions to be made during the show. Over 30,000 visitors are expected to meet the 150 exhibitors at the show.

The textile machinery industry has come out in full support of this first of its kind international textile technology show in Gujarat, Ahmedabad, from December 10-13, 2014. Recognising the immense investment and growth potential of the Indian textile and apparel industry, top technology suppliers from India and abroad are participating in ITMACH India

ITMACH India is supported by the Govt. of Gujarat as "Principal Supporting State Govt.", Industrial Extension Bureau (iNDEXTb) of Gujarat and leading trade associations like Confederation of Indian Textile Industry (CITI), PDEXCIL, SRTEPC as well as trade Medias. Considering the size and response, ITMACH India has been conferred the status of pre-summit event to Vibrant Gujarat 2015 to stimulate investments in Gujarat.

INTEXCON 2014: Concurrent to ITMACH India 2014

In association with Textile Excellence, Diagonal Consulting, which is spearheaded by Dr. P.R. Roy, will organise a 3-day international conference on 'India - Opportunities for Global Investment in Textiles', from December 10-12, 2014, at Gandhinagar, Gujarat.

The conference, supported by the Government of Gujarat and iNDEXTb, will also be inaugurated by the honourable minister. Leading stalwarts from the government and the Indian textile and clothing industry will talk about investment opportunities in the Indian industry.

Some of the leading industry supporters for the conference are Arvind Ltd, ITEMA Weaving, Sintex Group, Rieter, Reliance Industries Ltd, Benninger, Welspun, Truetzschler, RSWM Ltd, Picanol, Invista, Prashant Group and many more.

Global raw material scenario with special emphasis on cotton and man-made fibers will be discussed by leading experts from the industry. Investment bankers and financial analysts will share their views on investment opportunities in the textile industry. Product mix of significance for Indian textiles like shirtings, denims and home textiles will also be addressed during the event.

- End -
